

## New-Covenant Articles: Volume 2

This volume contains another dozen of David Gays articles on various aspects of the new covenant: Flesh & Spirit for Law Men; Old-Covenant Ruin of Church; Old-Covenant Ruin of Clergy; Old-Covenant Ruin of Minister; Old-Covenant Ruin of Ordain; Preparationism in New England; The All-Body Ministry; The Curse of Titles in the Church; The Law: Reformed Escape Routes; The Pastor: The Missing Man; The Sabbath in the New Covenant; The Two Covenants in Hebrews. In his Foreword, Ed Trefzger writes: His spirit of always reforming and his desire to get directly to what the Bible teaches are why Ive found the words of David H.J.Gay so compelling, both for a continued reformation of our understanding of Scripture and for the growth of a strong theology of the new covenant.
