

## Healing -- Gods Power Released Through You

We are living in a time where Gods healing power is often misunderstood or abused. This book was written to bring a powerful and biblically balanced perspective to this needed subject. We have done our best to avoid unprofitable extremes and yet properly present a faith packed presentation of the power of God available to men. Our prayer is that as you read this book, the Holy Spirit will deal with you and establish in your heart your place under His Divine power.
