Suddenly, by the flick of a switch, evil came knocking on Michael s door. His entire world stumbled and fell. What had been no longer was. This time he was facing a mountain too tall to climb. Or was it? Madison, his precious daughter, had called them badsters. Shed always wondered, Why couldn t they just be nice. Michael got a brilliant idea. What if they didn t have a choice in the matter? First, they needed to quit cussing all together. Language rules behavior, he established. And should they elect not to surrender to good? Great! Then theyll learn what really happens when The Operator is Calling.
