

Paradox Lost: Uncovering Your True Identity In Christ

What if there was a way to peel back the broken and tattered pieces of ourselves, and uncover a new life of freedom, adventure, and transformation? For many of us, our misconceptions about the nature and character of the triune God have kept us from the freedom and joy found in our true identity in Christ. Damaging cycles of shame and the endless effort to look the part keep us trapped in drama and fear. Unable to grasp the paradox of a God who is both Lion and Lamb, we end up feeling alone, stuck on the banks of the river while a life of passion and adventure beckons. Using stories of transformation, Paradox Lost presents a framework for understanding our patterns of stuckness and provides specific tools for getting off the riverbanks and into the current. With lifegiving insight into God's nature, readers will find the courage to uncover their own wounded places, as well as invite others to experience the wholeness of abundant life in Christ.
