

Building Wealth with Inner City Rentals: Success the Catalytic Landlord Way

This is a book for double bottom line investors: Those who want to make a handsome profit AND change the world for the better. Its also for folks who are willing to be mis-understood until others can see the benefits of their actions. And lastly, its for those who still believe, despite what cynics say, that one person can make a difference. If this sounds like you ... great. In the following pages, I will help you understand how landlords in troubled neighborhoods can: 1 - Increase their cash flow 2 - Increase their property values 3 - Attract easier to manage tenants 4 - Improve the safety on their block, and 5 - Be cheered for building their own wealth Its a rewarding path, both financially and spiritually. Are you ready to get started? Lets go!
