

See How Jesus Handled Rejection!: People Even Jesus Failed to Reach: With Interactive Study Guide

Even Jesus Christ Himself was not able to convince everyone, including some very prestigious religious leaders, to follow Him. This book is a needed reminder that some people are unreachable, no matter how persuasive the argument or example. Some people will reject Jesus today the same as they did in His day. Jesus never forced anyone to follow Him. People were free to accept or to reject His invitations. Jesus persistently struggled to reach lost people with salvation in spite of discouragements. His example gives us insight and perseverance when our efforts may seem futile. Come, See How Jesus Handled Rejection, and then follow Him.
