

Food For The Soul: A Christian Poetry Book

I am a believer that with God, we can accomplish anything in life. He is a dream maker and never lets his people down. This Christian poetry book is based on the Bible. God gives each of us a special gift; mine just happened to be poetry. Christian poetry that I have written will definitely encourage believers. Some of my poetry also includes my own personal testimonies, a lot of imagination also. When you read my poems, you can definitely feel your faith grow, encouragement and outcome of daily living. Im not perfect by all means; theres still a lot that I need to learn. So come on, lets learn together.
