

A Ransom for Many (Welwyn Commentary Series)

This book is based on a series of sermons preached at Kensington Baptist Church in Bristol. The author has increasingly, and beyond his expectations, been drawn in by the sheer power of the story-telling. Grasping something of the skilled and beautiful construction of the gospel has frequently shed fresh light on familiar passages; recognising the half-concealed links to the Old Testament prophets has opened up new understanding of the mission of the Lord Jesus. Marks gospel focuses on the Lord Jesus as the crucified Christ; as his followers we are called to take up our cross and follow him who gave his life as a ransom for many. If this book encourages you in this path of discipleship, it will have achieved its purpose.
