

Road Trip: A Personal Journey Through Lifes Detours and Pit Stops

re you living life and wondering where all your plans went, only to realize that Gods plans were always your plans and you just didnt see it? Road Trip is Jessies journey in her battle with Cushings Syndrome, a life-threatening disease. Her story looks back at her ride through the ups and downs of her struggles, how God brought her through them victoriously, and how He is using her experiences for His purposes. This book encourages you to see Gods big picture in your own life and appreciate the detours and pit stops along the way that will help make you stronger and live a more purpose-filled life. Road Trip includes a study guide for personal reflection or group discussion. Let Gods plans become your plans and experience a fresh encounter with the Living God.
