

Beyond the Mist

Beyond the Mist is more than a book. It is the cry of a church leader, the prayer of a pastor, and the motto of an evangelist. For more than 30 years, Tim Hill has led many into a river experience with God. Spiritual lethargy is his enemy and it comes through in this book. We have the choice of existing in a mist of mediocrity or flourishing in a river of revival and the author makes plain what our choice must be. A beyond the mist experience translates into a more intimate walk with God and results in a powerfully effective ministry. Read this book and follow the author as he leads you through the mist and into the river of refreshing revival. Perry Stone
