

Israel My Personal Journey

Israel, My Personal Journey is a 40-day devotional presented in the form of a tour. You will arrive in modern-day Israel and conclude your tour 40 days later in the Jerusalem of Jesus day. As you stop along the way at tourist locations learning of the history and geography of the land, you will be able to reflect on Gods messages through the picture stories. You will experience the enticements on Manger Square, learn about the famous Megiddo tunnel built in 950 BC, stop at the Good Samaritan Inn, witness Jesus death on the cross through His mothers eyes and observe the gardeners reverential care of the garden where Christs tomb lays. You will encounter a renewed commitment, experience forgiveness, and find personal reflection in the Garden of Gethsemane. As a seasoned writer with a strong passion for Israel, Carol brings practical insights given by the Holy Spirit on how to live a victorious life in Christ. As you wander through the pages of this devotional, may you be challenged and changed forever.
