

MEDITATION MOMENTS TO MELT THE HEART: EVERYDAY MOMENTS ETERNAL TRUTHS

Can Gods faithfulness be seen on the frosting covered face of a baby celebrating his first birthday? Can harvesting blueberries teach me how to overcome fear? Can patience be heard in the laughter of a toddler? Yes! Yes! Yes! Lessons retrieved from Gods Word can be melted into the heart through absorbing ordinary moments! In Meditation Moments To Melt The Heart, three points are used as a triad to lead the reader to apply Gods Truth. At one point of this triangle is a touching and true story. At the second point is a candid and timeless photo, which illustrates the story and adds a visual experience to the emotional one. At the top point is the trusted Word of God. An honest and life-altering application of a Bible passage is given in each of the fifty-two meditations. As a graduate of Cairn University (Philadelphia College of Bible), the author places utmost value on interpreting the Word of God rightly and truthfully. Meditation Moments To Melt The Heart is a devotional book to be assimilated into the spiritual core of the reader. It will melt away discouragement and doubt, and fill the reader with confidence and contentment. Praise for Meditation Moments to Melt the Heart: Joyce is at ease with her words and conveys what she has learned in a comfortable, endearing way. I know you will enjoy the concepts from Scripture, the applications to life, and her use of word pictures, as well as real photos. Take the time to enjoy these pages. You will be drawn to the message of Christ in everyday moments, in everyday language, and in everyday situations. Mrs. Shirley Bubar, mentor of women enrolled in Word of Life Bible Institute, and teacher of Christian Womanhood, for twenty years.
