

## Sidney & Norman: A Tale of Two Pigs

Two very different pigs learn an important lesson about God's perfect love. A stirring story and lovely illustrations create a multi-layered tale that is both charming and thought-provoking. Sidney & Norman uses the simple context of two pigs living next door to each other to communicate a profound truth about how we judge each other and often judge ourselves. On the surface, Sidney & Norman appears to be a picture book that will entertain kids. But this story has deeply moved adult audiences as well and can help us reconsider how much God loves us and how we love each other.
