

# Holy Habits: Spiritual Disciplines for Christian Living

In order to know the freedom of a victorious Christian life, Christians must first give themselves to the discipline of pursuing Christ's likeness. Holy Habits shows the reader how to do just that. By focusing on the spiritual disciplines of prayer, fasting, Bible study, meditation, and silence, Steve Mathews introduces the reader to the process of spiritual formation by teaching believers how to intentionally orient their lives toward God and to participate in the process whereby God uses the believer's efforts to bring about Christian maturity and holiness. A must read for Christians who take their walk with Christ seriously.
