

DELIVERANCE: What New Doctrine Is This?

In writing this book, it is my goal to open the eyes of your understanding through the Holy Spirit concerning the doctrine of deliverance, and demonic spirits. I hope that through this book and its simplicity that you will not only read and understand deliverance, but that you will be encouraged to minister the gospel in its entirety. Deliverance is not the cure all. It is up to the individual to work out their own salvation, sometimes its just the flesh. Through this book; I hope you will learn how to discern the difference between a demonic spirit, and the need to crucify the flesh. So may God bless you, and open up the eyes of your understanding as you read this book.
