

The Astrophysical Journal, Volume 21...

This is a reproduction of a book published before 1923. This book may have occasional imperfections

such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact,

or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections,

we have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide.

We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to ensure edition identification:

++++ The Astrophysical Journal, Volume 21; The Astrophysical Journal American Astronomical Society, University of Chicago Published by the University of Chicago Press for the American Astronomical Society., 1905 Science; Astronomy; Astrophysics; Science / Astronomy; Science / Astrophysics & Space Science; Spectrum analysis
