

The Bard and the Beast (The Kingdom of Wrenly)

Prince Lucas discovers that sometimes music is the only way to defeat a savage beast in this newest adventure from the fantastical Kingdom of Wrenly series. Prince Lucas does not want to learn to play the lute. He would much rather be outside exploring with his best friend Clara. When a traveling bard pays a visit to the castle, he tries to convince the young prince that there is magic in music, but Lucas isn't falling for it. And when the two go for a walk in the hills and stumble upon a ferocious monster, Lucas learns that the bard might just be telling the truth after all. With easy-to-read language and illustrations on almost every page, The Kingdom of Wrenly chapter books are perfect for beginning readers.
