

## The Treasure Hunt

When they reached the gnarled, old apple tree something white lying in the compost pile caught Davids eye. He came to a sudden stop and jumped off his bike. Picking up the small package, he dusted off the grass mulch and carefully unwrapped a wooden block with strange carvings on one side. The paper, however, was more than just wrapping. Your fathers favorite pastime and your favorite foods are the keys to this mystery. Signed, Das Alte und Langweilig, read David as he studied the paper. They were silent a moment each thinking of the strange clue and even stranger signature. Anna was first to speak. It seems like some sort of treasure hunt.
