

The Bungled Bike Burglaries (The Gabby St. Claire Diaries Book 3)

Stolen bikes and a long-forgotten time capsule leave one amateur sleuth baffled and busy. Seventh grader Gabby St. Claire is determined to bring a bike burglar to justice and not just because mean girl Donabell Bullock is strong-arming her into it. But each new clue brings its own set of trouble. As if that's not enough to handle, Gabby finds evidence of a decades-old murder within the contents of the time capsule, but no one seems to take her seriously. As her investigation heats up, will Gabby's knack for being in the wrong place at the wrong time with the wrong people crack the case? Or will it prove hazardous to her health? Perfect reading for middle grade readers. Grade: 5th and up. Age: 10 and up. The Gabby St. Claire Diaries follows the life of a young Gabby St. Claire, as featured in the Squeaky Clean Mystery series.
