

Excerpt from The Pilgrims Manual of Devotion to Good Saint Anne, St. Anne De Beaupre It is expressly for you, dear Pilgrim to the shrine of St. Anne de Beaupre, that this book has been composed. In it you will find the History of the Devotion to St. Anne, and a guide to the Month and other pious exercises in her honour. You will also find a description of the Sanctuary as it now appears. The holy Redemptorist Father who wrote the French original Manuel recommends himself to your pious prayers, promising a remembrance at the altar for all those who render him this charitable office. The humble translator begs for a remembrance also and a special memento for the soul of a beloved son recently deceased.
