

The Shamers War (Shamer Chronicles)

The evil Dragon Lord of Dunark is ruthlessly hunting down Shamers and burning them at the stake. Only Dina and her friends can stop him and only if they can build a successful rebellion. Rebellions need leaders, and what better choice than the legitimate heir to Dunark, Nico? Dina and Nico will need all of their considerable powers to triumph over the Dragon Lord, or they and everyone they love will end up dead . . .
