

## The Wisdom of Ambrose

The day I met Ambrose, I didn't know who I was... or who I would become. I, Susan Anderson - wife, mother, and now empty-nester - had no doubt my husband loved me. But my life was a script, played out as the wilting, admiring damsel in distress, confined to his ideal of who I should be, and I couldn't stand it anymore. I longed to be seen for who I was, to be appreciated for my own value. Then one day, surrounded by the ancient redwoods in the Grove, I started sliding sideways, out of control, into the Edenic world of a wise bear, a mysterious lady, and the Great King... a world where I had a very unique place. An Edenic world. A wise bear. A mysterious lady. The Great King. A fantastical journey of self-discovery For all who love fantasy
