

## Trust God Even In The Fiery Furnace: Reflective Essays Revealing Why We Should Trust God Always

So many people are defeated by life's trials and tribulations because they put their trust in man and not in God. Trials will always occur in some form or fashion in our lives. We are either entering a trial, in the midst of a trial or getting over a trial. When we go through trials we all react differently especially when we face fiery trials and tribulations. Your fiery trial may be different than mine. Fiery trials may involve your health, finances, family problems, addictions, legal problems, homelessness and poverty. Some people react to trials through worldly solutions such as, alcohol, drugs, and searching for answers in all the wrong places from all the wrong people. Some people check out completely by committing suicide because they feel that there is no other way out of their circumstances. Some people go to God for answers and they find peace because they trust God to solve their problems. This book teaches us to trust God in all circumstances no matter what our fiery trials may be. Proverbs 3:5 and 6 says, Trust in the Lord with all your heart; and lean not on your own understanding: In all your ways acknowledge him, and he shall direct your paths. We should trust God even in the fiery furnace just like Shadrach, Meshach and Abednego did when they had their fiery furnace trial. This book reveals how you can have hope in hopeless situations, comfort and joy in the midst of suffering and peace in the midst of chaos when you trust God even in the fiery furnace.
