

Two Fleas & No Dog

Two Fleas and No Dog is a practical book in which Craig Hill presents 3 key elements that will reignite in your marriage the fulfillment, security, and stress-free environment you had always hoped for: Covenant Communication Conflict Resolution. In this book, Craig shares out of his personal experience the insights and principles he and his wife, Jan, have used in transforming their own marriage, and in ministering to thousands of married couples around the world. These principles and powerful real-life stories will make the book come alive in your heart - the only place from which your marriage can change.
