

What my parents taught me about sex, marriage & choosing a husband

Written in the spirit of Proverbs, this book shares important advice to women in the area of choosing a marriage partner. In a time alarming marital failures, women need to carefully examine the character and practices of the men who are pursuing them. With their own daughter in mind, Huey and Petreece Cuffie examine the warning signals women should recognise in a potential partner. Sadly many women have ignored these critical signs and have been hurt as a result. The authors share the hope that those reading this book will increase their chances of experiencing a healthy and fulfilling marriage.
