

## 40 Days in the Beginning

On the very day God created man and woman, a love story began. A love story filled with betrayal, forgiveness, devotion, faithfulness, redemption, and transformation. The book of Genesis contains all of this and more. Genesis is about the inauguration of love, the continual faithfulness of a groom, the unfaithfulness of a bride, and the ubiquitous promise of redemption. In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of all mankind (John 1:1-4). This devotion delivers a simple, yet consequential resource where followers of the Word made flesh, can venture back in time to the days when it all began and discover a momentary pause from the complexities of life to worship the Creator of the Universe.
