

Willys Stories (Willy the Chimp)

From one of the most celebrated author-illustrators working today, comes a fantastical celebration of stories and the imagination. Once a week, Willy walks through an ordinary-looking set of doors and straight into an adventure - an adventure inspired by a beloved classic of childrens literature, from *The Wonderful Wizard of Oz* to *The Wind in the Willows*. Where will those doors take him today: to a mysterious desert island with footprints in the sand; down a deep, dark rabbit hole full of curious objects; or perhaps on board a pirate ship, face to face with Captain Hook? Wherever he ends up, Willys journeys begin when he walks through those inviting doors...
