

The Sunday School Chorister: A Service and Tune Book for the Children of the Church (Classic Reprint)

Excerpt from The Sunday School Chorister: A Service and Tune Book for the Children of the Church

The Sunday School Chorister has been compiled, under the direction of the publishers, by one thoroughly acquainted with music and the needs of children assembled in Sunday School. The hymns and carols are selected for the seasons of the Christian Year, together with hymns for special occasions, so as to meet all the demands of the Sunday School. The Litanies for the seasons will be found a very desirable feature to be used in each Sunday service. The service could always be choral, but an alternate service, to be read, is also given, to be used when so desired.
