

Yeshuas Inductive Path, Vol. 2: Consistent Walking in the Spirit (Volume 2)

This series asks the disciple to read the Scripture and understand the gist of Gods message to us, through inductive questions.

Are you seeking to justify your own preconceived ideas, or are you honestly seeking to find and conform to Gods message? The hard questions pointed at the gist of large basic teaching passages of Scripture will separate these two motives. Do you have what it takes to face these questions? This volume continues on the Discipling Path of Yeshua* as presented in Pauls Letters, starting in Ephesians. Volume one covers Matthew 5-7, the Sermon on the Mount, and Romans, through Galatians. It also covers the basic method of inductive study. And so, Volume 1 is an essential foundation.

*(Yeshua, in the original Hebrew that He spoke, is Jesus. It means Salvation.) This Series includes the Scriptural means of eternal life, how to operate a congregation, how to meditate and pray effectively, Spiritual Battle Tactics, and many other techniques that Yeshua taught His disciples to become righteous powerful apostles.
