

The Marriage Masterpiece

Focus on the Family's marriage book of the year unveils God's incredible design for marriage. Whatever happened to happily ever after? As divorce rates climb to all-time highs, many couples, including Christians, question the role of marriage and its lifetime commitment. In *The Marriage Masterpiece*, Al Janssen looks at evidence of God's original intent for marriage, offers scriptural answers as to why marriage is still relevant, and paints a picture of what that means to couples today.
